

Dear Parents/Guardians,

We have now completed five weeks of remote teaching and learning and are going into week six. This week, there will only be three days of online learning as we are on mid-term break on Thursday 18th and Friday 19th February. As a result, there will be no assembly this week.

In anticipation of the mid-term break, there will be a gradual reduction of schoolwork with Wednesday being 'Wellbeing Wednesday.' On this day, the focus will be on fun and enjoyable activities.

We appreciate all of the hard work that is taking place by pupils and parents.

Have a lovely mid-term break!

Grace Burke
