

Dear Parents Guardians,

It was so lovely to have the children back in school this week. They were great to remember all of the procedures for COVID-19 safety.

A few important things to note:

Gates open at **8.50am**. Pupils should wait outside until the teacher on duty tells them to enter the school.

Parents/Guardians entering the grounds to collect infants **must** wear a mask and practice social distancing.

Senior Infants will now be collected from the main entrance. Parents should wait on the left hand side of the path, allowing those collecting Junior Infants space to pass by.

Collection time for infants is 1.40pm.

All other classes finish school at 2.40pm. Parents/Guardians wait outside the gate and pupils will walk out to you. Congregation outside of the school should not take place according to Public Health guidance.

If your child is absent for any reason, the Department of Education have stipulated that you must fill out a Return to Education form before they return to school. These can also be found on the home page of our website.

[JI Ms Mc Govern Return to Education Form \(office.com\)](#)

[1st Class Ms. Tuohy Return to Education Form \(office.com\)](#)

[1st Class Ms. Hosty Return to Education Form \(office.com\)](#)

[2nd Class Return to Education Form \(office.com\)](#)

Parents of pupils from 3rd-6th class will receive a link for a Return to Education Form towards the end of next week. You must fill this in prior to your child returning to school.

We hope to see our 3rd, 4th, 5th and 6th classes back in the school on Monday 15th March. For now, work continues online.

Kind regards,

Grace Burke
