

Dear Parents/Guardians,

I hope you are all keeping safe and well and that week one of remote learning wasn't too stressful. We were delighted to see so many pupils engage with their schoolwork on Seesaw.

If device access is an issue, you may be glad to hear that Seesaw can be accessed on an X-Box or a PlayStation using the attached instructions.

We have developed surveys as a means of obtaining feedback from parents and pupils. We would appreciate if you could take a few moments to fill these in. This feedback will inform how we proceed with remote learning over the next few weeks. You may need to assist your child to complete the pupil survey.

Parent Survey:

We understand that remote learning provides challenges for families and we are striving to make it as easy as possible for you. Please contact us if you have any issues.

You may have heard in the media that schools are due to reopen on Thursday 21st January for pupils with additional needs. We are waiting further clarification on how the Department of Education is planning for this to work. We will make contact with the families of the relevant pupils as soon as we have more information.

Finally, Parent-Teacher Meetings were scheduled for the week of 18th January. Due to the current circumstances, it has been decided to postpone these. We will let you know the new date(s) as soon as a decision is made.

Kind regards,

Grace Burke

Principal
